ATANAS KAMBITOV

SOFTWARE ENGINEER

PROFILE

I offer 4 years of professional experience in software development.
At the moment I am working as a Full-time Software Engineer at Sainsbury´s in the UK.

My goal is to keep learning and growing my career as a Full-Stack Software Engineer with Cloud.

Programming is my passion, I also like getting involved in different areas such as Infrastructure, Cloud, Monitoring, Alerting, Reporting and more.

PROJECTS

.NET CORE AND REACTJS + TYPESCRIPT
